10,000 Dollars.	5,000 Dollars.

COHEN'S LOTTERY & EXCHANGE OFFICE,
NOVEMBER 6, 1817.

For the information of adventurers throughout the United States, the following memorandum is published, shewing the exact time fixed for the drawing with the particular days on which the Stationary premiums will be awarded; it having been determined to allow a short space between each drawing with a view of giving an opportunity to distant adventurers to renew their small prizes previous to the EIGHTH and NINTH days drawing, on which days the great Capitals of *Fifty Thousand* and *One Hundred Thousand* DOLLARS will be drawn.

The Drawing Begins

On WEDNESDAY, the 26th of this month (*November.*)

drawing	Wednesday, Nov. 26th,—	The first drawn number will be entitled to	5,000	DOLLS.

PATENT
Compound Anti Attritio or Antidote,
To Prevent Friction & Wear and Tear,

OF Nail Works, Steam Engines, Shipping, and Boats, whether in building, in use, or laid up; Coaches and Carriages, which will, with one Priming, in good boxes, run 1000 miles, and machinery of every description, whether in wood, iron, steel, or brass, to which one priming in most cases will be equal to fifty applications of the articles in general use, as well for preserving, as saving of time and labor.

TO THE HOSE OF ENGINES,

A good coat put on the inside leather, before closed, will render the leather impervious to the internal water, and make the Hose soft and pliable a matter of no small moment to the gentlemen who are so liberal in their attention.

This Patent Composition will keep its virtue in all climes and seasons. The Patentee has the confidence that when its advantages are known, by experience, it will claim the attention and use of the whole of the United States. He is, therefore, willing to dispose of state or district rights. Good allowance to those who sell again.

Sold in boxes, at 25, 50, 100, 150, 250, and 500 cents each—or by the pound, where large quantities are wanted.

As the various directions for the use of this Compound Anti Attritio, are too lengthy for newspaper publication, the printed particulars will be given with each box, by

EDWARD MOTT,

Paint and Color Manufacturer, No. 2, Cherry street, North Third street, Philadelphia, PATENTEE,

Valuable Property For Sale.

FOUR LOTS

SITUATE on the West bank of the Monongahela river, being part of that tract generally known by the name of

TROY FARM.

Lot No. 2, contains 65 acres 40 perches—a good proportion of bottom and hill land well timbered; on the hill a barn and on the river a fine orchard of choice fruit-trees with a handsome meadow adjoining.

Lot No 3, contains 57 acres, also a good proportion of hill and bottom land, rich meadow, elegant sugar camp, comfortable tenant's house and stable, with a spring of fine water convenient.

Lot No. 4, contains 57 acres 120 perches, chiefly rich bottom, all cleared, with sufficient hill land, well timbered.

Lot No. 5, contains 54 acres 110 perches, wide bottom, all under cultivation taking in a portion of hill land covered with heavy timber.

The above lots are elegantly situated, 6 miles from the city of Pittsburgh.—Any persons wishing to attend market with the produce of their gardens would find these lots well calculated for their purpose: the soil luxuriant and productive with a proper exposure, and conveniently situated close on the bank of a navigable stream, by which they could transport their 'vegetable store' to a market where it would command the highest prices.

Or any gentlemen wishing to secure pleasant and healthful retreats for their families during the sultry months of summer, would find the natural situation of these lots such as to admit of any improvement convenience might suggest or the hand of taste direct.

Terms of Sale are as follows.

One fifth of the purchase money to be paid at the time of sale and the rest in five years, bearing interest, to be paid annually and to be secured by a mortgage or otherwise.—Persons wishing to purchase may obtain more particular information on application to Mr Samuel Peebles on the premises, or Dunning M'Nair Jr. Wilkinsburgh, who has a diagram of the lots, or on Walter Forward esq. who has also a diagram, or on the subscriber in Greensburgh,

If the lots are not disposed of before the first of April next, they will then be exposed at public sale in the city of Pittsburgh,

—ALSO—

A tract of Donation land, containing 300 acres situate in Mercer county, 6 miles distant from the town of Mercer.

Patent Trace Chain.

THE subscriber has invented and obtained a patent for cutting and bending links to make chain of different sizes.

Chain made of those links will have a superior advantage over the chain made in the common way as the iron is first drawn into a wire which makes each link of an equal thickness and more beautiful and strong than the common chain.

To the wholesale merchant they will be sold at 21 doll. per dozen. The links will likewise be sold to blacksmiths or others at 23 dolls per hundred pounds with the necessary complement of rings, each chain requires six pound of links.

Orders accompanied with the cash will be promptly attended to by the subscriber at his works adjoining Pittsburgh.
